I have accounted for completion of the following requirements:

- Muir GE requirements
- Muir Writing (MCWP 40 & 50)
- Diversity, Equity, and Inclusion (DEI)
- Major Requirements
- Optional Minor (if applicable)
- 60 Upper Division units (15, 4-unit courses)
- 180 total units (minimum required to graduate)

Total Units: _____

All entries are dependent on course offerings for the given quarter and subject to availability. It is the responsibility of the student to verify that pre-requisites for a course have been met and to evaluate progress in the major with the appropriate department advisor.

Additional graduation requirements include:

- a maximum of 200 units for a single major, 230 for a B.S. in Engineering, and 240 for a double major
- a maximum of 4 units for each category of undergraduate seminars (87's, 90's, 192's) may be applied towards graduation
- a GPA of at least a 2.0 in both major and cumulative UC coursework
- Senior Residency requiring that 35 of your last 45 units are taken at UCSD
- No more than 25% of your total UCSD units taken P/NP
- UC requirements of ELWR (English composition), American History and Institutions (AH&I), and Diversity, Equity, and Inclusion (DEI)
- Eligibility for honors at graduation requires a minimum of 80 letter-graded UC units
- Minimum progress towards degree objective requires completion of 36 units in an academic year
- Officially file to graduate online at <http://degree.ucsd.edu> no later than the posted deadlines
