

Options for Capped Majors

Students who are interested in applying to a [capped major](#) should read through the capped major information provided by the major department. In addition, students should strongly consider an **alternate major(s)** in the event they are not admitted into a capped major. Below are some possible major options listed by capped major area. Explore each option by clicking on the hyperlinked text. In addition, check out the complete list of [UCSD Majors](#) and the Muir College information on [Undeclared Majors](#).
