Thinking About SUMMER SCHOOL?
WHERE CAN I STUDY?

• UCSD Summer Session
• Other UCs
• Community Colleges
• Other 4 year Universities
• Study Abroad
UCSD SUMMER SESSION

- Schedule of Classes available on March 19th
- Appointment times assigned April 6th
- Enrollment starts April 13th - enroll early for priority
- 2 Sessions and Special Session
- Take 1-2 classes per session
- Like a 4th quarter (you’re taking exactly what you’d take Fall, Winter or Spring but in half the time!)
- **Financial Aid** is available, must apply online

[http://summersession.ucsd.edu/calendar/](http://summersession.ucsd.edu/calendar/)
Another UC

- Check each UC’s website for a summer Schedule of Classes
- Follow the directions to sign up as a visiting UC student
- Classes are UC transferable & will factor into your UC GPA
- You must petition each class to meet GE, major or minor requirements (*The GE Petition form will be explained later in the presentation*)
COMMUNITY COLLEGE

- Summer course offerings posted starting April
- Follow directions to enroll as a student
- Community College grades **do not** factor into your UC GPA but do show up on Tritonlink – Academic History & factor into graduate school applications
- If you would take it for a Letter Grade at UCSD, you must take it for a Letter Grade at Community College
• Transferable: course provides units towards graduation

• Approximation: Community College course equals a specific course at UCSD

✓ No approximation listed ➔ must petition course

Note: All 112 CA community colleges are reducing summer course offerings and giving preference to existing Community College students
Welcome to ASSIST

ASSIST is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

There are two ways to look up information in ASSIST.

Explore Transfer Information

If you have already chosen a major or know what kind of information you want to see, select the transfer information you want to display by choosing an institution below. You can select the institution you are transferring from or to.

The & sign means you have to take both classes to get credit for the one UCSD class.
Another 4 Year University

- Check that school’s website for a summer Schedule of Classes
- Follow the directions to sign up as a visiting student
- Contact UCSD Admissions to ensure each class is UC transferrable and lower or upper division (if necessary)
- You must petition each class to meet GE, major or minor requirements
**Study Abroad**

- **Research programs** as early as possible and potential course offerings.
- Attend a [First Steps Session](#) sponsored by the Programs Abroad office for more information.
- EAP: Automatically UC transferrable
- OAP: Register with UCSD Programs Abroad, check with UCSD Admissions to make sure each class is UC transferrable and lower or upper division (if necessary)
- For either program you must petition each class to meet GE, major or minor requirements
Submit an Official Transcript

- Send an official transcript to UCSD Admissions after grades are finalized.
- UCSD Admissions approximates 6-8 weeks to post transcripts upon receiving.
- UCSD Admission
  9500 Gilman Drive, #0021
  La Jolla, CA 92093-0021
Submitting Petitions: GE

- If you are taking coursework to meet GE requirements: submit a Muir College General Education petition prior to your enrollment.
- They are available at Muir Advising (H&SS 2126) and on the Muir website (muir.ucsd.edu).
You must show all three courses you are planning to take to complete the sequence.

The clearer you are on your petition and the sooner you submit it, the quicker you’ll receive a reply.
Submitting Petitions: Major/Minor

• If you’re taking coursework to meet Major or Minor requirements: talk to your major advisor about submitting a UCSD Undergraduate Student petition.
  - They are available at Muir Advising, H&SS 2126 and on Tritonlink.
  - In some cases you submit the petition to the academic department instead of your major. For example, if you are a Biology major taking MATH 202 at CSU Fresno in place of MATH 10C, you would petition the Math department, not the Biology department. If you don’t know who to petition ask your major advisor or a Muir College advisor.
### Submitting Petitions: Major/Minor

- Most major/minor departments use this petition form, but make sure to double check with your department.
- Once again be as clear as possible to ensure your petition gets processed in a timely manner.

#### UNDERGRADUATE STUDENT PETITION

**INSTRUCTIONS:** Check appropriate box.

- **DEPARTMENTAL EXCEPTIONS:** Select this option if you are requesting any departmental exceptions including course substitutions. If a course does not appear on an approved list published in the general catalog, department publications or approximation chart, submit this petition to your MAJOR DEPARTMENT. Remember to include a course number and indicate whether the course is lower or upper division.

- **COLLEGE EXCEPTIONS:** Select this option if you are requesting any college exceptions including General Education course substitutions. If a course does not appear on an approved list published in the general catalog, college publications or articulation agreement, submit this petition to your COLLEGE ADVISING OFFICE.

- **SUMMER SESSION:** Select this option if you are requesting any exceptions to the general rules governing summer session.

- **UNIVERSITY EXCEPTIONS:** Select this option if you are petitioning for reasons other than the above, but which are exceptions to University Policy. Please check with your College Advising Office regarding appropriate signatures.

Financial Aid

• Offered on a first come first serve basis

• Must be enrolled in a minimum of 8 units for the whole summer (4 each session or 8 in one session)

• Summer courses can be included in minimum yearly progress.

• Can apply online at:

Red Flags

• Beware not to repeat any classes because you will not get credit for taking them again.

• Additionally, do not take any class at another institution that you did not pass because you will be unable to replace your grade.

• Try not to take a class from the middle of a sequence at another institution if you plan on completing the sequence at UCSD.
You will earn 1.5 quarter units for every semester unit. (ex) 3 semester units = 4.5 quarter units

Combinations of courses which equal a year-long GE sequence:

- 3 quarters
- 2 quarters + 1 semester
- 2 semesters (in most cases)
- 1 quarter + 1 semester (Cannot combine!)
You Might Ask...

- Does UCSD have housing for Summer Session?
  - Yes! Visit [http://housing.ucsd.edu/summer.asp](http://housing.ucsd.edu/summer.asp)

- How will I get my final transcripts?
  - At UCSD: TritonLink is automatically updated
  - Anywhere else (including other UCs): You MUST order transcripts from that institution and send them to UCSD
You Might Ask...

• How do I drop classes?
• At UCSD use WebReg. Other places, check the institution for information.
• Is the gym accessible over the summer?
• Yes! But you must be enrolled in classes
You Might Ask...

• Can I take classes for my major at my local community college?
  • It depends. Even if you can find a transferrable course on ASSIST, still consult major advisor

• Can I take MCWP 40 or 50 in the summer?
  Yes, see the UCSD schedule of classes, but contact Muir writing for preauthorization!
**Dates and Deadlines:**

- **Monday April 6 (Week 2)** — *Enrollment appointment times available on WebReg*
- **Monday April 13 (Week 3)** — *Enrollment begins for both sessions*
- **Monday July 6 (Session 1, Week 2)** — *Deadline to add classes for Summer Session 1*
- **Friday Aug. 7 (Session 1, Week 1)** — *Deadline to add class for Summer Session 2*
