SUMMER CHECKLIST

⇒ Read ALL of your Official UCSD emails. All official communication is done via this email so be sure to stay up to date!

⇒ Check that ALL of your AP/IB scores are showing in your Academic History on Tritonlink.

⇒ Are your transcripts in?
   Official high school and community college transcripts need to be submitted to Admissions. If you took courses at a community college, have that college send official transcripts once grades are finalized to:
   UCSD Office of Admissions
   9500 Gilman Dr. #0021
   La Jolla, CA 92093-0021

⇒ Questions about transcripts or scores? Contact UCSD Admissions.

⇒ Are you in the right Math Class?
   If your Math AP or community college math course is not showing in your Academic History, fax a copy of your official score/grade to the Math Placement Office at 858-534-1011. If you have questions, you may contact them at 858-534-3373.

⇒ Familiarize yourself with Degree Requirements: Look through your major requirements and Muir College Requirements. Also refer to our sample four year plans. If you’re undeclared, check out our Undeclared majors page for more info. If you have questions, ask us through E advising!

⇒ Holds? Check TritonLink to make sure you don’t have any holds that will prevent enrolling in classes.

Fall 2017 New Freshman will have the opportunity to meet with an advisor or Peer Advisor during Walk in Times at the start of the Quarter. E-Advising will be available starting August 14th.
You should have received your AP/IB scores by mid-July. Check the AP/IB charts in the Learning and Living Guide (L&L) to determine clearance of the Entry Level Writing Requirement, General Education courses, and/or major requirements. Make sure the courses recommended by your Academic Advisor are appropriate based on your official scores.

**MATH PLACEMENT EXAM**

Students must be eligible to enroll in a math course at UCSD. Those not eligible based on AP, IB, SAT scores, or a community college course, will need to take the Math Placement Exam (MPE) to enroll in math.

Exams can be taken in person or online! Be sure to register prior to taking the exam for on site Math Exams. Pre registration is required, no walk ins allowed!

Visit mathtesting.ucsd.edu for more information on how to register!

If you are planning to continue studying French, German, Italian or Spanish and have not received an official score of 3 or higher on the appropriate foreign language or literature AP exam, you should take the online language placement exam.

If you are planning to begin a new language it is not necessary to take the placement exam. For languages not listed, please ask the appropriate department.

**CHEMISTRY PLACEMENT**

This online chemistry exam is recommended for science majors who do not have a Chemistry AP or IB Higher Level score.

Questions? Email: chemadvising@ucsd.edu

**ENTRY LEVEL WRITING REQUIREMENT**

The University of California requires all undergraduate students to demonstrate a minimum proficiency in English composition. To see if you have met this requirement or if you have questions, please consult the Analytical Writing Office. Students who have not yet satisfied the requirement must take the Analytic Writing Placement Exam.

The test will be offered at the following times: Wednesday 9/20/17 2pm-4:30pm CSB, Rm 1; Saturday 9/23/17 4pm-6:30pm CSB, Rm 1; Monday 9/25/17 10am-12:30pm, GH 242. Pre Registration is required.

Questions? Visit: awp.ucsd.edu

**TERMS & TIPS FOR COURSE ENROLLMENT**

**Enrollment**: View your enrollment date & time on Tritonlink. On August 11th, review your course recommendations on the “Preparing to Enroll” section of the New Student Site. Don’t forget to register for your Fall Quarter classes on your enrollment date and time!

**Instruction**: Sometimes classes enroll by lecture and sometimes by discussion.

**Discussion**: If you enroll in a discussion, you are automatically enrolled in the lecture.

**Pro tips**:

- Check WebReg before classes start for changes in room, time, and books.
- Learn to identify the various lecture hall/classroom codes. WLH, PCYNH, etc.
- Find class/lecture locations and get required textbooks before classes begin. You can also access campus maps by downloading the UCSD app on your smartphone.
- You should also double check your final exam schedule for scheduling conflicts. Make sure to avoid scheduling three finals on the same day!

**WORDS OF WISDOM**

1. Keep your contact information updated on Tritonlink. This will ensure that you receive all university postal mailings.
2. Talk to your family members if they have questions. Due to the Family Educational Rights and Privacy Act (FERPA), the university cannot divulge academic information. You are considered responsible for your academic success.
3. Enroll in available classes instead of wait listing for a preferred time. Freshmen must often enroll in early morning or late evening classes. Wait listing does not guarantee you a seat, so do not waitlist more than one class.
4. Good places to study on campus: check out this website.
5. Keep track of these important deadlines (there are no exceptions if you miss a deadline!):
   - Deadline to...
   - ADD a class
   - DROP without a “W”
   - CHANGE grading option
   - DROP with a “W”
   - General Deadline
   - Friday of Week 2—Oct. 13th, 2017
   - Friday of Week 4—Oct. 27th, 2017
   - Friday of Week 9—Dec. 1st, 2017
6. Come see us! Academic Advising is always here to help with your academic needs. Be sure to visit us on the Virtual Advising Center, during Walk In times, or schedule an appointment!
