Choosing a Major

1. **Assess**
   - Keep in mind your skills, values, and personality
   - Think about what you want to do in the future. Start with broad categories, like “working with people”
   - Take the Tratify Assessment online through Career Services

2. **Research**
   - Look at all the major options, noting capped majors and the alternatives to those majors
   - Talk to friends, House Advisors, upperclassmen, etc. about their majors and how they chose them
   - Use your required General Education courses to explore possible areas of interest
   - Check out the “What Can I Do With This Major” tool on Career Services

3. **Plan**
   - Visit major advising offices or websites
   - Check out the tools at the Career Services Center
   - View the sample four year plans at plans.ucsd.edu
   - Discuss your potential major plans with an advisor at Muir Academic Advising

4. **Declare**
   - Use the Major/Minor Tool located in the TritonLink Tools Menu to declare your new major
